

Fall 2009

Hello Life Builders Intern Applicant!

Thank you for your interest in Interning with Christian Endeavor–Mid Atlantic for the summer of 2010 at our Life Builders Work Camps. This will be a life changing experience for you as you grow closer to God through serving others.

The Life Builders Internship program seeks to fulfill a calling to train leaders to make a difference in their families, schools, churches, workplaces and wider communities for Christ. All intern participants will experience leadership training that will prepare them for a life of service and putting *Faith* into *Action*. Upon acceptance into this experience, you will develop an individually tailored growth plan to fit your God-given gifts, talents, passions, interests, and experiences with the needs of Life Builders, a ministry event of Christian Endeavor - Mid Atlantic.

A small stipend, along with food, lodging, and registration costs, are all covered by Christian Endeavor-Mid Atlantic. Interns can receive additional financial compensation through supporters. The office will provide assistance throughout the support process.

We believe young people do change the world for Christ. Please begin to pray about whether God may be calling you to invest your time, gifts, and talents to serve Him alongside us during our Life Builders Work Camp Ministry this summer.

To find out more about the ministry of Christian Endeavor-Mid Atlantic, check out our website at www.theworkcamppeople.org, email me at info@cemidatlantic.org, or give me a call at 610-369-0207.

One final note: construction experience and knowledge is not required for the internship.
