

Dear Work Camper:

It is a great pleasure and with excitement to know that you plan to participate in a Life Builders Work Camp. This will be a week that will impact your life well into your future.

A week at our Work Camp will offer times for you to build relationships with others in your youth group, worship God (through an evening program and through your actions), minister to the less fortunate, learn inter-personal and construction skills, and opportunities for leadership development, among many other things.

If you want to learn more about a Life Builders Work Camp please check our website at www.theworkcamppeople.org. This will give you information about what the week is about and a better idea of what you will be doing.

As a Life Builder Work Camp Participant, there are forms you'll need to fill out and return to the leader of your group. These items are:

Adult (18 yrs. old and older)
Adult Registration Form
Adult Medical Form
Skills Sheet
Copy Front & Back of Your Health Insurance card

Also, please take a look at the "Adult Guidelines" so you know what is expected from you as you minister. When you click on the "What To Bring" link on our website you will find a list of what you will need for a successful week.

Finally, please begin to pray about your week of Mission Work Camp. You may want to pray that God will prepare your heart and the heart of the person you will minister to, for safety, and for your willingness to be used by Him. Then one day in glory God can say to you, "Well done, good and faithful servant" (Matthew 25:21).

God bless,
