

Dear Teen Life Builder Work Camper:

It is with great pleasure and excitement knowing that you plan to participate in a Life Builders Work Camp. This will be a week that will impact your life well into your future.

A week at our Work Camp will help you gain valuable skills for your walk with Christ. You will build relationships with your youth group and home owners. As you work to rebuild physically, you will mend spiritual needs too. Everyday you get a chance to learn how to work with people and tools at the work site, and every night offers the opportunity for rejuvenation by worshiping God. We know that by the end of the week you will leave tired, but spiritually stronger than when you came.

As a Life Builder Work Camp Participant, there are forms you'll need to fill out and return to your group leader. These items are:

Teen (Under 18 yrs. of age)
Youth Registration Form
Youth Medical Form
Skills Sheet
Copy Front & Back of Your Health Insurance card

You can find the youth registration form, medical liability form and skills sheet at the website listed below.

Also, please take a look at the "Teen Guidelines," which outlines the behavior that is expected from you as you minister. You will also find a link of what "What to Bring" on our website that includes the items to make your week successful.

Finally, please begin to pray about your week of Mission Work Camp. You may want to pray that God will prepare your heart and the heart of the person you will minister to, for safety, and for your willingness to be used by Him. Then one day in glory God can say to you, "Well done, good and faithful servant" (Matthew 25:21).

If you want to learn more about a Life Builders Work Camp please check our website at www.theworkcamppeople.org. This will give you information about what the week is about and a better idea of what you will be doing.

God bless,
