

Fall 2011

Hello Life Builders Summer Staff Applicant!

Thank you for your interest in being a Summer Staff member with Christian Endeavor Mid-Atlantic's Life Builders Work Camp Ministry for the summer of 2012. This will be a life changing experience for you as you grow closer to God through serving others.

The Life Builders Summer Staff opportunities seek to fulfill a calling to train leaders to make a difference in their families, schools, churches, workplaces and wider communities for Christ. All Summer Staff will experience leadership training that will prepare them for a life of service and putting *Faith into Action*.

A small stipend, along with food, lodging, and registration costs, are all covered by Christian Endeavor-Mid Atlantic. Summer Staff can receive additional financial compensation through supporters. The office will provide assistance throughout the support process.

Young people do change the world for Christ. Please begin to pray about whether God may be calling you to invest your time, gifts, and talents to serve Him alongside us during our Life Builders Work Camp Ministry in 2012.

To find out more about the ministry of Christian Endeavor Mid-Atlantic, check out our website at www.theworkcamppeople.org, email me at info@cemidatlantic.org, or give me a call at 610-310-5966.

One final note: construction experience and knowledge is not required to be a Summer Staff member.

SinCErely in Christ,

Rev. Sam Yeager
Ministries Director
